

## Life Application Questions

Ignore the Selfie: Week 4  
January 30, 2022

*Use the questions below to help you apply this week's Bible teaching in your life. At Harvest, we want everyone to **establish community**. With this in mind, Small Groups are now open for this semester! Visit [harvestflorida.org/groups](http://harvestflorida.org/groups) to sign up.*

### **Read 1 Corinthians 10:31 (ESV)**

1. Is there anything in this verse that sticks out to you? What did you find interesting from this passage or this week's message?
2. What does it look like to "do all to the glory of God"? How is this reflected in your own life?
3. Read 1 Corinthians 15:9-10 (ESV). How does the grace of God help you glorify God in your life? Why is it important to glorify God instead of seeking your own glory?
4. During the message, we talked about three enemies to watch out for: *comfort*, *distraction*, and *the temptation to quit*. What are you most prone to fall into? Explain your answer.
5. Read Acts 20:24 (NLT). One of the values at Harvest is to **Share Jesus**. How do we glorify God by "telling others the Good News"? How can we do this by our actions? How can we do this by our words?
6. In light of the conversation, is there anything you need to stop doing? Is there anything you need to start doing?
